

Precision Y: Micro Floodlight

PY-xx-N120

120° IP 65

PRECISION Y: MICRO FLOODLIGHT

The Precision Y uses three diffused beam 5mm LEDs to cast a soft, wide angle beam onto the illuminated object. Perfect for concealing into props, costumes, and small displays.

FEATURES

- Ultra-compact for easy concealment
- Available in a range of rich colors
- Low voltage and minimal heat for improved safety over incandescent sources
- 2 wire dimming using PWM input
- Easy installation and reconfiguration
- Dual polarity input
- Minimal maintenance required with over 50,000 hour lamp life
- Indoor and outdoor use

SPECIFICATIONS

Max wattage	0.13W
Input voltage	12VDC
Current draw	< 53mA
Lead wire length	500mm
Light beam angle	45°
Code rating	IP65
Exterior Finish	Black anodized aluminum
Dimensions	10mm Ø x 46mm
Power connection	2.1mm ID / 5.5mm OD DC jack with screw terminal adapter
Catalog #	PY-R-N120 (Red) PY-G-N120 (Green) PY-B-N120 (Blue) PY-A-N120 (Amber) PY-WH-N120 (Cool White) PY-WW-N120 (Warm White)
