

WA-HHA-SHBY

Microphone Adapter for TG 1000 Handheld Transmitters

Order # 711.012

FEATURES

- Rugged aluminium adapter for microphone capsules from:
 - DPA®
 - Shure®
 - Heil Sound®
 - Sony®
 - Lectrosonics®
 - EV®
 - Blue®
 - Line6®
 - Earthworks®
 - Telefunken®
- 7 V-powering for higher signal-to-noise ratio
- For use with beyerdynamic TG 1000 handheld transmitter

APPLICATIONS

The WA-HHA-SHBY microphone adapter made of aluminium is provided to use beyerdynamic TG 1000 handheld transmitter with all capsules with a 1.25"/28 thread. The WA-HHA-SHBY adapter allows the use of microphone capsules from manufacturers such as Shure®, DPA®, Heil Sound®, Sony®, Lectrosonics®, EV®, Blue®, Line6®, Earthworks® and Telefunken®.

Due to the 7 volt powering, typical for beyerdynamic, the capsules have a clearly audible higher signal-to-noise ratio.

TECHNICAL SPECIFICATIONS

Diameter bottom / top 36 / 37 mm
Total height (beyerdynamic
transmitter incl. adapter). 208 mm
Material Aluminium
Contact material. Gold coated
Weight 16 g
