

A PANAVISION COMPANY

UK REACH

(REACH Regulation (EC) no. 1907/2006)

Registration, Evaluation, Authorisation & Restriction of Chemicals Declaration of Compliance

To customers of LEE Filters:

LEE Filters confirms that, as of the date of this declaration, products listed in Appendix A supplied for the intended use as optical filters in typical lighting and photographic applications, hereto conform to:

UK REACH (2021) - REACH Regulation (EC) no. 1907/2006 concerning Registration, Evaluation, Authorisation & Restriction of Chemicals.

(Verified with European Chemicals Agency (ECHA) 'candidate list' of SVHC, last amended 21st January 2025)

It should be noted, however, that the products offered by LEE Filters, including those listed on Appendix A hereto, should be considered as large volume industrial products in which the presence of traces of impurities cannot be totally excluded.

Further, this declaration is based upon, and limited by, certifications, declarations and other supporting documentation relating to conformity with the REACH Regulation provided by LEE Filters suppliers rather than independent tests conducted by LEE Filters.

If you require copies of such documentation from our suppliers, please let us know.

Please Note.

As of 20th June 2025, LEE Filters has been informed by a supplier that the following substance:

Triphenyl phosphate (TPP)

CAS-No. 115-86-6

EINECS-No. 204-112-2

Is present in a concentration of more than 0.1 % (w/w) within the raw material composition in the following products supplied by LEE Filters:

402 Soft Frost, 404 Half Soft Frost, 414 Highlight, 439 Heavy Quiet Frost

This substance has been identified as a candidate for inclusion under the Substances of Very High Concern (SVHC) and may be prioritised for inclusion on the Authorisation List (Annex 14) of UK REACH.

All other products listed in the following Appendix A, remain compliant.

APPENDIX A:

Lighting Filters

Reflection Media

Protection Media

Acrylic Panels

Glass Dichroic Coloured Filters

Polyester Camera Filters

Resin Camera Filters

Filter Holder System (Including Big Stoppers, IRND ProGlass Filters & Glass Polariser Filters)

Glass Cine Filters

Elements Filters

APPENDIX A; Lighting Filters
