OPENROAD® H1,60M WARDROBES FLIGHT CASE
FOR 24 COSTUMES

Designed for professionals in the performing arts, events, or fashion industries, our costume wardrobe is the ideal solution for safely transporting and storing up to 24 costumes costumes. Robust, compact, and built to last, it meets the needs of theatre companies, television productions, opera houses, and event service providers alike.

Handling this wardrobe is smooth and user-friendly. It fits perfectly into touring productions and temporary setups. The hanger-locking system keeps costumes securely in place, preserving their integrity even during transport.

This wardrobe is ideal for dressers, costume designers, and technicians. It streamlines preparation and storage workflows during location changes, rehearsals, or large-scale events.
